

Millenium Micro Financial Services Financing Solutions for Your Equipment

- Information and communications technologies
- Professional audio / video equipment
- Office furniture for businesses

Lease Financing Solutions Tailored to Your Business

Accelerate the acquisition of your equipment without compromising your cash flow.

IT Technologies

Finance your computers, servers, software, IT solutions, networking and IP telephony to stay at the forefront of technology without impacting your cash flow.

Audio / Video Equipment

Financing solutions for conference rooms, displays, projectors and professional audiovisual equipment tailored to your business environments.

Office Furniture

Design your workspaces with ergonomic, professional furniture that enhances productivity and team comfort.

Why Choose Leasing?

Millenium Micro leasing solutions, offered in partnership with GFL Financial Solutions, allow your clients to quickly acquire equipment without tying up capital. This is not a loan, but a **lease with or without a purchase option at the end of the term**, designed to meet the realities of today's businesses.

Faster deal closures

Simple and competitive solutions

Preservation of working capital

Turnkey service, hassle-free

A Fast Process in 3 Easy Steps

Step 1: Calculate Your Monthly Payments

Use the calculator to quickly estimate your monthly payments based on the financed amount and term length.

Step 2: Submit Your Application

Present the solution to your client and connect them with your Millenium Micro leasing advisor.

Step 3: Receive a Quote Quickly

Receive a credit decision in under 48 hours. Deliver and install the equipment, then receive your payment within 24 hours of installation.

Thanks to our partnership with **GFL Financial Solutions** (30+ years of expertise), we offer a lease-to-own program under our brand, designed to set us apart in the market.

Take action now!

Calculate your monthly payments and request a quote in just a few clicks! **Visit our website:**
